SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the duty of disclosure provisions of 37 C.F.R. §1.56, Applicants provide information that the Examiner may consider material to the examination of the subject U.S. patent application. Applicants request that the Examiner make this information of record by initialing and returning the attached PTO-1449.

Enclosed with this Information Disclosure Statement is the Supplemental European Search Report issued for the corresponding European Patent Application No. 04821602. Since the reference Mi-Sook L. (Angiogenic activity of pyruvic acid in in vivo and in vitro angiogenesis model's, Cancer Research, 61(8), pp 3290-3293) was submitted in the Information Disclosure Statement dated October 17, 2007, this reference is not listed on the PTO-1449 form submitted herewith and no copy is provided. Except for the U.S. patent, copies of the listed references are attached. In addition, Applicants provide the English language translation of the Abstract for JP 2000-204038. Applicants respectfully request that the Examiner initial and return the Form PTO-1449, indicating that the information has been considered and made of record herein.

This Information Disclosure Statement is filed under 37 C.F.R. §1.97(d). Applicants therefore submit the fee set forth in 37 C.F.R. §1.17(p). Please charge the required fee and any additional fees to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP

Dated: July 7, 2010
